

# Energy & Water Efficiency Incentives for Businesses

## Energy

### Renewable energy options through Marin Clean Energy (MCE):

MCE is Concord's Community Choice energy provider for commercial businesses. MCE has multiple rebate and incentive programs on their [website](#).

**Light Green:** 60% Renewable, PG&E customers are automatically enrolled.

**Deep Green:** 100% Renewable, opt up to total clean energy. Visit [mcecleanenergy.org/opt-up/](http://mcecleanenergy.org/opt-up/)

## Appliances

**Energy Star** is offering rebates on its energy efficiency appliances. Visit [www.energystar.gov](http://www.energystar.gov) or [goldenstaterebates.com](http://goldenstaterebates.com) to find eligible appliances.

**BayREN** offers a refrigerant replacement program for small businesses to help cut down on GHG emissions and utility costs. Visit [www.bayren.org/chill](http://www.bayren.org/chill)

**PG&E's On-Bill Financing Program** offers 0% financing loans for businesses to upgrade to energy efficient equipment.

## EV's

The IRS is offering **Commercial Clean Vehicle Tax Credits**. Businesses that purchase qualifying commercial vehicles could be eligible for up to \$40,000.

**MCE's EV Charging for Businesses Program** offers stackable rebates on EV chargers to businesses.

## Tax Credits

**Federal Tax Credits** are available for commercial businesses to save on clean energy upgrades. Visit [www.energystar.gov/about/federal-tax-credits](http://www.energystar.gov/about/federal-tax-credits)

Multiple cost saving support programs are available to small businesses. See the IRS's sheet on [Clean Energy Tax Incentives for Businesses](#) to learn more.

## Water Efficiency

The **Contra Costa Water District (CCWD)** has multiple rebate and incentive programs to help businesses save costs and run more efficiently. Rebates are available for irrigation equipment upgrades, water efficient appliances, water wise landscaping, and more on CCWD's [website](#).

Coupons for various local car washes and local nurseries, can also be found on CCWD's [website](#).

## Business Upgrades

**TECH Clean California Commercial Incentives** can help businesses save on heat pump water heaters. Conversions are only available through TECH Clean California-enrolled contractors. Visit The **Switch Is On** website to find opportunities in your area.

**BayREN** offers a program helping small businesses upgrade to energy efficient systems. Visit [www.bayren.org/business](http://www.bayren.org/business) to submit an interest form.

**MCE** has a **Commercial Energy Savings Program** providing site assessments and rebates for small- to medium-sized businesses to save on costs. Visit [mcecleanenergy.org/energy-savings-for-commercial-customers/](http://mcecleanenergy.org/energy-savings-for-commercial-customers/)
